

Table 1 Human fatalities from chirodropid envenomation

Geographical locations	Approx. No. of Deaths
Australia	67
Borneo	
Brunei	
Labuan (Malaysia)	
Sabah	6+
Sarawak	
Kalimatan (Indonesia)	
Japan (Okinawa Island)	2
Malaysia (Penang & Langkawi Is.)	2
Papua New Guinea	1+
Philippines	100 s
Solomon (Bougainvillea) Is.	1
United States of America (Texas)	1

Table 2 Human fatalities from non-chirodropid envenomation

Geographical locations	No. of deaths
Human fatalities from non-chirodropid envenomation	
China (east coast)	8
- Stomolophus nomurai (Sand jellyfish)	
United States of America	3
- Physalia physalis (Portuguese man-o-war)	

Table 3 Chirodropids (multi-tentacled box-jellyfish) Distribution

Geographical locations (within the tropical coasts)	
Atlantic Ocean	- east and west coasts
Indian Ocean	- east coast / mid ocean
Pacific Ocean	- west Pacific only
